Thinking out-of-the-box

The more unique we are, the better we will do.

Jonas Riddertrale & Kjell Nordstrom

What we do

What makes us different

A large field of white 3D cubes arranged in a grid-like pattern, with one red cube standing out in the center. The cubes are rendered with soft shadows, giving them a three-dimensional appearance.

“We have been reinforcing our relationship with CopiRisco because of their know-how, rigour and seriousness. We also appreciate very much the informal way they interact with us.”

Miguel Paredes Alves, CEO, HotelShop

“During all this time, CopiRisco has supported us in getting important results in our business. Their excellent professionals are truly involved and committed to our daily activities.”

António Malheiro Reymão,
Managing Partner, A+/Snock

"I would like to thank to CopiRisco the high quality and efficiency with which its team has performed all the outsourced services we buy. This firm is an important business partner for us."

Rui Val Ferreira, Managing Director, Wärtasilä Portugal, Lda

“PRG Schultz has found in CopiRisco a team that is strongly orientated to help us doing all as easy as possible, both in the start-up of our activity in Portugal, and in the daily business.
We hope we will count on their cooperation for a long time to come.”

Paloma Díaz, PRG Schultz Iberia

"Their overall performance is greatly positive. The consultants' expertise has revealed as a significant value added to our systematic improvement project. [...] As I have no doubts on CopiRisco's capabilities, I have recommended them to my industry colleagues. This team has the best consultants for implementing any continuous improvement system."

Anabela Felício, Production Manager/RFT Champion, Schering-Plough Farma, Lda
